Jl. Arzzimart III No.17 Tegal Gundil Bogor Jawa Barat

I have some prior knowledge in several programming languages, design skills, research and developing. I am passionate about all creative processes and in learning new skills. I work diligently and try to improve myself for any chance. I'm able to work either dependently or in a team, I also enjoy meeting new people and taking new challenge. I am very interested and at the same time want to have more knowledge about IT, blockchain, design and research

Work Experiences
